

NOTICE TO BAR AND ALL SELF-REPRESENTED LITIGANTS

USE of AI and Recording Devices Prohibited

April 16, 2025

This notice supplements the currently posted Arbitration and Review Procedures concerning Monthly Status Calls, Pre-Trial, Trials, Oral Arguments, and Review Call Conferences at the Illinois Workers' Compensation Commission.

The use of any Artificial Intelligence (AI) device or software during Arbitration Status Calls, Pre-Trials, Trials, Review Conferences, or Hearings on Review or Oral Arguments is strictly prohibited.

Any participant—whether an attorney or self-represented litigant—found using an AI device or program during these proceedings will be immediately removed from the proceeding.
