RE: YRC Inc. dba YRC Freight

Yellow Corporation, the parent of the above-referenced company, filed a Chapter 11 petition on 8/6/2023 in the United States Bankruptcy Court for the District of Delaware and ceased paying its workers' compensation obligations.

YRC Inc. dba YRC Freight was self-insured 9/1/1960 – 8/31/2023.

Its subsidiary USF Holland LLC dba Holland was self-insured 1/1/1973 – 8/31/2023.

Effective 6/1/2026, the Self-Insurers Advisory Board will be administering the workers' compensation claims from the self-insurance period.

The Law Firm of Hennessy and Roach will continue to represent the respondent. Members of their firm have been appointed by the Attorney General's Office as Special Assistant Attorney Generals to represent the Board and must therefore be notified of any motions or other actions taken before a commissioner or arbitrator.

Questions regarding workers' compensation claim issues may be directed to:
