JB Pritzker, Governor

Michael J. Brennan, Chairman

TO: All Current and Former Self-insured Employers
FROM: Maria Sarli-Dehlin, Office of Self-Insurance Manager
RE: **SELF-INSURERS SECURITY FUND ASSESSMENT**
DATE: November 14, 2022

You are hereby notified that pursuant to the Illinois Workers' Compensation Act (802 ILCS 305/4a-7), an assessment for the Self-Insurers Security Fund is being issued so that the Self-Insurers Advisory Board may carry out its statutory mandate under the Act to assure the continued payment of benefits to employees of insolvent self-insured employers.

The Self-Insurers Advisory Board has directed that all self-insured employers in the State of Illinois pay an assessment to the Self-Insurers Security Fund by **December 16, 2022**.

Please note the assessment rate is 0.6% based on indemnity payments made during 2021.

The assessment must be completed online via the new Self-Insurance Plus (SIP) system.

However, payment should be sent by mail. Mail checks only to:
Illinois Workers' Compensation Commission
Attn: Fiscal Office
69 W. Washington St., Suite 900
Chicago, IL 60602

Make check payable to "Illinois Workers' Compensation Commission" and include in the check memo "**SISF 2022**".

If you have any questions regarding the assessment, please contact me at maria.dehlin@Illinois.gov or (312) 814-6065.

FORMER SELF-INSURED EMPLOYERS AND SUBSIDIARIES: You are still required to file a report and pay an assessment based on compensation payments you made during the period (1/1/2021 - 12/31/2021) for claims incurred during the self-insurance period. If all claims are closed and the statute of limitations has expired, please contact the Office of Self-Insurance to stop future assessments.
