RE: Railway & Industrial Services, Inc.

Please be advised that Railway & Industrial Services, Inc. ceased its business operations on 8/6/2019 and stopped paying its workers' compensation obligations.

Railway & Industrial Services, Inc. was self-insured during the period of 5/1/1980 - 8/15/2019.

The Self-Insurers Advisory Board will be administering the workers' compensation claims from the self-insurance period with the assistance of third party administrator, IPMG.

The Attorney General's Office is representing the Board and must therefore be notified of any motions or other actions taken before a commissioner or arbitrator.
